

HCM10V2

PROFESSIONAL CONDENSER HEADSET MICROPHONE

Description

HCM10V2 mini headset microphone is ideally suited for vocal sound and speech applications requiring freedom of movement. The unique tiny size and very light weight provides a comfortable and optimum fit for any use, such as dance and sports instructors.

Great for video use, this mini micro-phone is practically invisible.

It comes with 3 different replaceable cable connectors making it suitable for use with belt packs from different manufacturers.
